Hi Nelson,

I hope this email finds you well. I am writing to formally resign from my position due to the recent passing of my grandfather. I now need to take time to look after my family during this difficult period.

Additionally, my family has expressed concerns about the impact of the hardcore night shifts on my health, and they are not supportive of me continuing under these circumstances.

It has been a privilege to work alongside such a talented and dedicated team, and I am truly grateful for the opportunities and experiences I have had during my time here.

Please let me know if there are any further steps I need to take during this transition.

Thank you once again for your support and understanding.

Best regards,  
Simran Jaiswal
