IIT Roorkee

EXPERIENCE LETTER

This letter serves to confirm the tenure and roles of **Deepshikha Chakraborty** during her employment in the Centre for Transportation Systems (CTTRANS) at Indian Institute of Technology (IIT) Roorkee for the project titled “Assessment of the reach and expected socio-economic impact of KGB water freight corridor on stakeholders in perspective of PM Gati Shakti” funded by Indian Council of Social Science Research (ICSSR).

As a Field Investigator at CTRANS from 18-12-23 to 02-02-24, she undertook the responsibility of conducting field surveys in Kolkata and played a crucial role in ensuring the acquisition of high-quality data essential for the project's success.

She consistently demonstrated professionalism, dedication, and expertise in each of her roles at CTRANS, significantly contributing to the success of our projects. I acknowledge her valuable contributions and wish her the best in her future endeavours.

Regards,

Hemant

Dr. Hemant Kumar Suman
