EXPERIENCE

Tata Consultancy Services, Kolkata	Feb 2021 - Jun 2023
---	----------------------------

Role - Business Process Associate

- Conducted detailed financial analysis by organizing client files by time period and bank to identify trends and insights.
- Processed mortgage data to assess loan recovery, scheduled payments, and payoff statuses.
- Created comprehensive documentation in Excel, including trend analysis, charts, and graphs.
- Addressed and resolved client queries via calls, ensuring clarity and client satisfaction.

Canara HSBC Obc Life Insurance Company, Kolkata	Feb 2020 - Jun 2020
--	----------------------------

Role - Sales Officer

- Promoted and sold insurance products through bank branches, targeting existing and walk-in customers.
- Built strong relationships with bank staff to generate leads and drive consistent sales performance.
- Educated clients on insurance solutions, handled queries, and ensured smooth policy issuance and after-sales support.

INTERNSHIP

The Right Doctors	Jun 2024 - Aug 2024
--------------------------	----------------------------

Role - Business Analyst

- Business Analysis – Conducted in-depth analysis of business processes to identify improvement opportunities.
- Business Intelligence Report – Created BI reports to support data-driven decision-making across departments.
- Social Media and Google Analytics – Analyzed social media metrics to evaluate campaign performance and audience engagement.
- Zoho CRM Management – Managed and customized Zoho CRM to streamline sales tracking and customer relationship management.

Medica Superspeciality Hospital, Kolkata	Sept 2019 - Oct 2019
---	-----------------------------

Role - Audit Intern in Medical Records Department

- Assisted in auditing patient medical records to ensure accuracy, completeness, and compliance with healthcare regulations.
- Supported documentation reviews and helped maintain confidentiality and proper filing within the medical records department.

PROJECTS

Worldwide NeuroScience Key Opinion Leader Database ↗ | MS Excel

Sept 2024

- The Worldwide Neuroscience KOL Database is a vital resource for identifying top neuroscience experts, offering insights into their research, clinical work, and affiliations. It enables strategic collaborations and informed decision-making for innovation in neuroscience and improved patient outcomes.

Impact of Social Media on Consumer Behaviour and Brand Perception ↗ | SPSS

April 2025

- This project explores how social media influences consumer perceptions of brands and their purchasing decisions in today's digital age. It examines the impact of influencer marketing, user-generated content, brand engagement, and real-time communication on trust, loyalty, and buying behavior.

ERP Implementation in Beverage Industry A Blueprint ↗ | Expand ERP

Nov 2024

- Worked on ERP implementation in the beverage industry, focusing on streamlining operations across procurement, production, and distribution. Developed a detailed blueprint outlining system integration, process mapping, and user training for successful ERP deployment.
