SUMMER INTERNSHIP EXPERIENCE

EdiGlobe - FINANCE INTERN

JULY – SEPTEMBER (2025)

Key Highlights:

- Completed intensive training in finance fundamentals and conducted a comprehensive 5-year financial statement analysis of Maruti Suzuki India Ltd., assessing liquidity, solvency, profitability, and efficiency ratios.
- Performed capital budgeting for a real estate project using NPV, IRR, and WACC, developing complete financial statements compliant with accounting standards. Created a financing strategy with a 50:50 debt-equity mix, computed WACC at 14%, and prepared detailed project reports with analysis and recommendations for stakeholders.

ITC LIMITED - MARKETING AND SALES INTERN

APRIL – JUNE (2025)

Key Responsibilities:

- Drove sales growth for Bingo Snacks and Aashirvaad Soyabean by executing field sales strategies and expanding market reach in the assigned territory.
- Built strong relationships with retailers through regular visits and support, increasing ITC product shelf presence by 30% in the region.

Achievements:

- Registered and onboarded 100+ retail outlets on the ITC Unnati app using shopkeepers UID and mobile numbers, enabling self-ordering and boosting order frequency.

KEY PROJECTS

- MADs-BLUE ENERGY SOLUTION:** Conceptualized and developed a sustainability-focused brand by conducting competitive analysis, designed integrated pricing and promotional strategies.
- RATIO ANALYSIS - Cipla Ltd:** Conducted an in-depth financial ratio analysis to evaluate the company's profitability, liquidity, solvency, and efficiency for overall performance assessment.
