## Summary

I am a dedicated and result driven individual who focus on the process rather than thinking about the result. I am a self-motivated person who always put the team performance first rather than the individual performance.

## KEY PROJECTS

### Startup Challenge

Despite facing challenges, me with my team successfully launched a beverage start-up. Together, we navigated obstacles and achieved significant revenue. This experience showcased our resilience and entrepreneurial spirit.

### Aspire 2 Achieve

Successfully me along with my team mates participated in this event and gain a lot of valuable knowledge relating to company position, peer comparison, competitor analysis and lastly the utmost important presentation skills.

### Theme Day

In this event I get the opportunity to present the details of Dabur Ltd in front of the judges and showcased my presentation and communication skills.

### Team Day

I had the opportunity to communicate with new friends as this was the first event in this college and to make a video on the group hobbies. I get to know about different hobbies and how two different people can have a same hobby. Passport

An event where we have to compete with each other's to get into the top 120 of the Group Discussion Competition. Despite various challenges and rounds, I secured the top 120 position in the college.

## WORK EXPERIENCE

- Working as Relationship Executive in Bajaj Capital (DOJ: 13/08/2025). Working in mutual funds, bonds, FD, Life insurance and General Insurance.
