

CAREER OBJECTIVE

An MBA student at Globsyn Business School, with a Bachelor in Commerce. As a professional Basketball player at nation level, I have honed a unique blend of skills and expertise in high-pressure team management, strategic planning, and leadership. Throughout my MBA journey, I have focused on enhancing my understanding of Operations Management, Finance, Marketing, and Consulting. I am actively seeking to apply my skills in a dynamic business environment, contribute to organizational success, and gain valuable hands-on experience.

INTERNSHIP

Company Name: Mallcom India Ltd.

[From 28-04-2025 To 27-07-2025]

- **Project Title:** End-to-End Operational Process of Garment Industry
- **Location:** Kolkata
- **Job Responsibility:**
 - “Worked as an Operations Intern at Mallcom India Ltd., conducting an end-to-end study of garment manufacturing processes across Cutting, Stitching, Quality Control, Alteration, and Finishing departments. Gained hands-on exposure to workflow analysis, performance monitoring, and quality control in PPE garment production. Identified operational challenges such as rework load and manual dependency, and suggested improvements in automation, digital monitoring, and interdepartmental coordination. Strengthened practical knowledge of supply chain and operations management in a large-scale manufacturing setup.”
