Ankita's apprenticeship story – video transcript

Ankita, Authorisations Apprentice

I've actually studied a degree in law. I decided I didn't want to go down that route. I realised that actually my interests are within anti-money laundering.

I started looking at what courses I could take, I came across to the FCA apprenticeship. Initially I did think would I be too overqualified but actually there's no age restrictions when applying.

It's never too late to change your mind regardless of if you've done a degree or not. So I'm doing the qualification I wanted and actually I've got a role in the area that I'm interested in. It's super exciting.
