<p>Gap Remarks: A Gap of 3 years identified between UG(02-2020) & TTEC(03-2024).Candidate mentioned that after completing graduation in 2020, worked with an organization in the unorganised sector. Unfortunately, this organisation did not follow formal employment documentation practices, and therefore was unable to provide official experience letters or records for this period. However, during this time, candidate was actively engaged in work responsibilities and gained practical exposure to real-world work ethics. Alongside this, also invested time in self-development by preparing for aptitude and entrance examinations, focusing on logical reasoning, quantitative aptitude, and analytical thinking. This phase helped him significantly improve problem-solving skills and professional mindset. Most importantly, this period contributed to personal and professional growth, developed strong discipline, punctuality, the ability to meet deadlines, accountability, and the habit of working with clear expectations qualities that he now apply consistently in professional role and would like to assure that this career gap was purposeful and constructive, and it has positively shaped my approach towards work and responsibility and fully committed to maintaining transparency and professionalism in career and provided the relevant proofs, Hence this gap period is considered as Green.</p>
