Roll Number : 2352265

Issue Date: 04/Oct/2024

GRADING SYSTEM

IILM University, Gurugram follows a unique course credit regulation and grading for its post-graduate programs. Flexibility in course offering and spread of marks for a grade are the hall mark of the system.

Each letter grade awarded to the student indicates the level of performance in a course and has a grade point for the purpose of computing Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA) as given below:

Academic Performance	Grade	Grade Points
Outstanding	A+	10
Excellent	A	9
Very Good	B+	8
Good	B	7
Above Average	C+	6
Average	C	5
Pass	D	4
Fail	F	0
Absent	Ab	0
Incomplete	I	
Withdrawal	W	-
Satisfactory	S	-
Unsatisfactory	X	-

Semester Grade Point Average (SGPA) is calculated as below for all the courses in which the student has enrolled in the Semester:

$$\text{SGPA (Si)} = \frac{(Ci \times Gi)}{Ci}$$

where Ci is the number of credits of the ith course and Gi is the grade point scored by student in the ith course.

Cumulative Grade Point Average (CGPA) is calculated as below for all the courses in which the student has enrolled in the Semester:

$$\text{CGPA} = \frac{(Ci \times Si)}{Ci}$$

where Si is the SGPA of the ith Semester and Ci is the total number of credits in that Semester.

Conversion of Cumulative Grade Point Average (CGPA) into percentage (%):

$$\text{Percentage (\%)} = \text{CGPA} \times 9.5$$
