EDUCATION

Budge Budge Institute of Technology   Kolkata,WB
Bachelor of Technology in Computer Science and Engineering   *2020 – 2024*

K C College   Chapra,Bihar
Higher Secondary Education   *2017–2019*

S D N High School   Chapra,Bihar
Secondary Education   *2017*

PROJECTS

Food Basket:Online Food Delivery App | *React,SpringBoot,MongoDB*   **Link**

- Developed and implemented a responsive frontend for the Food Basket app using React and Vite, ensuring seamless user experiences across devices..
- Integrated MongoDB with Spring Boot for efficient data storage and retrieval, enabling real-time updates for food items, user carts, and orders..
- Implemented user authentication and authorization using JWT and Spring Security, ensuring secure access to the application..
- Designed and developed the Home Page with dynamic food categories, search functionality, and featured items, enhancing user engagement and navigation..

JobHook:A Job find APP | *React, Spring Boot, MongoDB, Redux, Tailwind*   **Link**

- Developed JobHook, a job-finding web application using React, Spring Boot, MongoDB, Redux, Tailwind, Mantine, and Tabler Icons.
- Implemented a notification system, OTP verification via email, and secured APIs using JWT authentication.
- Designed role-based protected routes to ensure secure access and maintain user-specific functionalities.
- Ensured full responsiveness across devices, delivering a seamless user experience.

TECHNICAL SKILLS

Frontend: HTML,CSS,JavaScript,React,Tailwind
Backend: Java,JDBC,Hibernate,Spring Boot
Developer Tools: Git,Github,VS Code,Eclipse
Database: MYSQL,MongoDB
Other Skills:Ms office,Excel, Advance Excel

ACHIEVEMENTS

- **Leetcode**: Solved 100+ Leetcode questions, improving algorithmic problem-solving skills.
- **HACKTOBERFEST 2022** : Contributed to open source projects during Hacktoberfest 2022 Sucessfully mergerd multiple pull request in github repository having issues labelled Hacktoberfes.
- Lead and Volunteering the College Fiesta Team Which Gathered more than 5000 Attendees.

STRENGTHS

Problem-Solving:Strong problem-solving and analytical thinking skills, Debugged and optimized React/Spring Boot applications.
