### Trainings & Project Undertaken

#### Project Undertaken:

**Company:** Global Data Research Centre

**Project Title:** Data Analysis

**Description:** Worked with the Construction team, and worked on raw data to make it easier to analyze.

**Duration:** 1.5 months

**Company:** Outlook India

**Project Title:** Analyzing tax saving options and twin benefits of ELSS Investment

**Description:** For the online part, we were given topics to research on like payment gateways, investment opportunities, portfolio design for various earning classes, cash flow analysis, etc. and how can it help in the growth and stability of the Outlook Group.

For the offline part: I was assigned to visit various stores all around Delhi where the magazine were being sold, and I had to fill a Google form by asking questions to the owner of the shop, about the sale and availability and demand of the Magazine from Outlook and others as well.
