I am a highly motivated and enthusiastic individual with a Bachelor's degree Science in Information Technology (BSC IT) and Recent Postgraduate in Master's degree in Computer Applications with Specialization in Cloud Computing from Galgotias University. Through my academic experience, I have developed excellent problem-solving skills and am able to work well both independently and as part of a team.

EDUCATION

Masters of Computer Applications from Galgotias University 2022 to 2024 | 8.15 CGPA

Bachelors in IT from Magadh University 2016-2019 | Final 69%

Schooling

LP SHAHI COLLEGE (BSEB) | Muzaffarpur , Bihar | 12th SCIENCE | 2016 | 64%

SRT SCHOOL (CBSE) | Muzaffarpur, Bihar 10th | 2014 | 8.4 CGPA

Project Overview

Title:- Digital Clock GUI Application with Pvython and Tkinter

- This project leverages the Python module Tkinter to create an interactive interface for a digital clock.
- The application displays the local time and updates in real-time with precision, refreshing every 200 milliseconds.
- Through carefully crafted code, the digital clock is enhanced for a visually appealing user experience, showcasing the seamless integration of functionality and aesthetics.

Skills Used :-python , tkinter , vs-code , github, git ,

SKILLS

- Testing : Manual Testing, SDLC & STLC
- Web Development :-HTML , CSS , JavaScript , SQL
- DevOps : CI/CD, Automation, Infrastructure as code
- Operating System: Linux, Ubuntu, Windows
- Language: Python
- Version control: Git
