PROFESSIONAL EXPERIENCE

Amazon India Private Limited

Investigation Specialist (In-Person Investigation)

August 2023 – March 2024

- Conducted detailed investigations of potentially risky sellers via video calls, assessing legitimacy and identifying fraudulent activities.
- Prevented financial crimes such as money laundering, counterfeiting, and terrorist financing through meticulous scrutiny of seller activities.
- Verified seller identity, financial details, and physical presence to ensure account operator authenticity.
- Evaluated business authenticity by assessing inventory, supply chain, and business identities.
- Managed and resolved seller appeals, providing guidance and support throughout the process.

Seller Onboarding Associate (In-Person Verification)

March 2022 – August 2023

- Facilitated identity verification for sellers via video calls, ensuring accurate and compliant onboarding.
- Conducted thorough document checks to confirm seller authenticity and prevent bad actors from entering the platform.
- Performed due diligence to ensure compliance with OFAC, FCA, and sanctioned country regulations.
- Participated in the Enhanced Due Diligence (EDD) Pilot program to eliminate bad actors during registration.
- Reviewed post-call documents to identify forged or duplicate submissions.
