Internships

Grant Thornton Bharat LLP | Gurugram

Business Analytics Intern | May 2024 – July 2024

- Conducted several **'Live Projects'** and performed their analysis using **Python and SQL** to generate actionable insights assisting in decision making processes for the clients
- Developed and automated **Power BI dashboards** to visualize key performance indicators in a systematic manner

Jubilant Agriculture Rural Development Society | Moradabad

Trainee | August 2021 – December 2021

- Gained **hands-on experience** with agricultural industries, institutions, and businesses, analysing operational processes
- Collaborated with farmers to identify and address key challenges in crop management, soil health, and market access
- Implemented practical solutions to enhance productivity and sustainability in the field

Academic Projects

Money Metrics Analysis

- Developed a Power BI report analysing company financial data across 5 segments, revealing that the Government segment led in sales and profit (approx. 40%), while the Enterprise segment, despite contributing 15% to total sales, showed minimal profit.

CricketStats SQL Analyzer

- Analysed Men's Test Cricket batting performances using SQL, executing queries to extract insights from statistical data.

Grocery Market Basket Analyzer

- Conducted Market Basket Analysis on a grocery dataset using Python, identifying frequently purchased item pairs (eg., bottled beer and whole milk) with over 70% confidence based on purchase history.

Certifications

- National Financial Literacy Quiz (NISM)** | SEBI | 2024
- Accounting Fundamentals** | TCS iON | 2024
- Data Science Tools** | Cognitive Class (IBM) | 2024
- SQL** | 365 Data Science | 2024
- Microsoft Copilot** | Skill Nation | 2024
- Global Innovation Hub** | Rochester Institute of Technology, New York (Dubai Campus) | 2024
- Soft Skills for Professionalism** | CTLD Department, Teerthanker Mahaveer University, Moradabad | 2020
