Piyush Girdhar Yesterday to Parth

Hi Parth,
Hope you are doing well. Since I haven't received any update for a month and I'm currently idle, I've started exploring external opportunities. Interviewers are asking about my joining timeline, so I request a quick confirmation from your side—if I get selected outside, would an early release within 2–3 days be possible after I inform you?
Your confirmation will really help me respond accurately.
Regards,
Piyush Girdhar

Hi Parth,
As discussed on call, please find my updated CV attached.
I've really enjoyed my 7 months at WNS(Revolut)—it's been a great experience working under PC and PK. My quality was 100% during the initial two months, and I also received appreciation from PC along with the WNS Go Getters Award.
Since the Revolut process is wrapping up, I'm open and flexible to work in any shift or new project where I can continue contributing with the same level of effort and dedication. I'll also be flexible with all shift timings that may align with future requirements.
Regards,
Piyush Girdhar
