- Mastering the Fundamentals of Financial Modelling - Finance Veda
- Excelling in the Basics of Equity Research - Finance Veda
- Investment Banking Virtual Experience - J.P. Morgan
- Corporate Financial Statement Analysis - LinkedIn Learning

## INTERNSHIP & EXPERIENCE

### Financial Modelling & Equity Research Intern - Finance Veda | New Delhi | May 2025 - Jul 2025

- Built 3 full-scale financial models and valuation reports (DCF, comparable analysis) for companies including Nykaa, improving valuation clarity and reducing mentor review time.
- Conducted financial health assessment using DuPont and Altman Z-Score to evaluate performance and risk.
- Prepared detailed equity research reports with projections, benchmarking, and investment insights.
- Delivered structured, advisor-ready reports, enhancing data accuracy and presentation quality.

### Social Intern - Friends N Smile Foundation | Noida | Jan 2025

- Developed and executed a marketing plan for AHA-certified BLS training courses.
- Assisted in organizing a fundraising event by coordinating with vendors and volunteers.

### Investment Banking Fellow - Marquee Equity | May 2022 - Nov 2024

- Researched global startups and prepared structured financial summaries and valuation briefs for advisor review.
- Assisted in drafting capital market updates and improving accuracy across investor communication materials.
- Conducted lead-generation outreach via LinkedIn to support advisors in fundraising activities.

## ACADEMIC PROJECTS

### Equity Research & Valuation - Nykaa:

- Built revenue and cost projections and evaluated financial ratios.
- Conducted industry benchmarking to derive investment recommendations.

### Industry Financial Analysis - Alkem Laboratories:

- Assessed profitability, liquidity, and solvency metrics to evaluate financial trends.
- Benchmarked company performance against competitors to identify improvement areas.

## SKILLS & TOOLS

**Financial Skills:** Financial Planning, Valuation, Financial Statement Analysis, Equity Research

**Technical Skills:** Microsoft Excel, Power BI, PowerPoint

**Soft Skills:** Analytical Thinking, Detail Orientation, Time Management, Team Collaboration

## ACHIEVEMENTS

- School Topper (Class 12th)
- Winner - Intra-College Chess Tournament, FIIB (2025)
- Gold Medalist in multiple inter and intra-school sports competitions (Football, Basketball, Table Tennis, Badminton, Throwball)
