INTERNSHIP & EXPERIENCE

Social Internship | Friends N Smile Foundation | Noida | 1-Jan-2025 – 15-Jan-2025

- Healthcare Camps focused on screenings and preventive measures.
- Educational Support via modern teaching methods and affiliations with national skill programs.
- Disaster Preparedness training, offering life-saving courses at nominal fees.

Corporate Internship Program | HSCC (India) Limited | Noida | 16-April-2025 – 30-June-2025

Project: Strategic Audit Transformation Framework

- Analyzed existing audit workflows and identified gaps in manual vs. automated processes.
- Developed a Draft Audit Reform Framework (DARF) integrating SAP ERP and predictive analytics.
- Created compliance dashboards using Power BI to enhance real-time audit tracking.
- Applied SWOT, PESTEL, Porter's Five Forces, and Balanced Scorecard for strategic insights.
- Recommended audit automation strategies to improve efficiency and transparency.

ACADEMIC PROJECTS

- Case Study: Enhancing Audit Systems at HSCC (India) Limited**
Developed a strategic case study analyzing HSCC's audit inefficiencies, risks, and delays in public healthcare projects. Proposed a 9-pronged roadmap including ERP integration, cloud tools, and AI-based analytics to improve audit governance, reduce ₹66.4 crore in losses, and achieve PSU audit leadership by 2030.
- Credit Card Fraud Detection Using Machine Learning**
Built a supervised ML pipeline using Python to detect fraudulent credit card transactions. Applied models like Logistic Regression, Random Forest, and SMOTE for class imbalance. Achieved 96% precision and 67% recall with Random Forest.
- Dashboard Creation for Financial Ratio Analysis**
Created a dashboard analysing key financial ratios of 5 private and 5 government banks over 5 years to compare performance trends.
