## PROFILE

---

Motivated and versatile developer with a solid foundation in web development, Java, C++, and Data Structures & Algorithms (DSA). Passionate about creating efficient, scalable, and user-friendly solutions. Seeking an opportunity to apply my diverse technical skills and grow in a challenging environment.

## EDUCATION

---

2021/05 – 2022      **12th**, kendriya vidyalaya  
Patna, India

2017/02 – 2018      **10th**, gyan niketan  
Patna, India

2022/10 – present      **BCA**, Galgotias university  
greater noida, India

## PROJECTS

---

2024/09 – 2024/11      **magicbricks clone**, clone of magic bricks [🔗](#)  
Created a responsive MagicBricks clone with property listing and search functionalities. Designed user interfaces with HTML/CSS and used React.js for dynamic components and state management. Mock APIs were integrated for data fetching, with a focus on cross-browser compatibility and performance optimization. Tools: HTML, CSS, React.js.
