

INTOUCH

Certificate of Appreciation

This is to certify that Asutosh Patro has worked with Intouch Healers from November 15, 2023, to July 31, 2024, and has significantly contributed to the growth and success of the organization.

We would like to extend our heartfelt appreciation for his exceptional work in advancing our international business initiatives for the Digital OPD project in Bangladesh. His dedication, professionalism, and innovative approach have been instrumental in forging strategic partnerships and expanding the reach of our services in international markets. Asutosh's commitment to excellence and his ability to navigate complex international business landscapes have been invaluable in strengthening Intouch Healers' presence beyond India.

His efforts have not only contributed to the success of the Digital OPD project but have also set a strong foundation for future collaborations and growth in the region.

We commend Asutosh for his outstanding contributions and thank him for his hard work and dedication during his tenure. We wish him all the best in his future endeavors and are confident that he will continue to excel and make a positive impact wherever he goes.
