Subject: Resignation Letter | purayush@ | 2026

Hello Sahil,

With a very heavy heart I wish to inform that I would be required to exit the organization

As I discussed with you, I was looking for relocation to my home city

Luckily, I have found a new role in my home city of New Delhi, which matches my skill set and requirement

I would request if my last working day could be adjusted to 17th April 2026

I understand that Notice Period is 30 days but I really request if the rest of the days could be compensated by my Annual Leaves

Amazon will forever hold a special place in my heart and I am grateful to all the things I have found here

Thanks,

Ayush
