ABOUT ME

Dedicated professional with more than 2 years of experience in market research and banking, specializing in transaction monitoring, AML/KYC compliance, and financial crime prevention. Proven ability to analyze transactional patterns, detect suspicious activities, and support timely escalation and reporting processes in line with regulatory requirements. Familiar with key compliance tools and frameworks, with hands-on experience in risk profiling, case investigation. Eager to apply strong analytical and regulatory knowledge in a transaction monitoring role within a forward-thinking financial institution
