PROFILE

As a finance enthusiast with a strong academic foundation and hands-on internship experience, I'm eager to begin my professional journey in the finance domain to apply skills in financial modeling, corporate finance, and data analysis to support business growth and decision-making.

INTERNSHIPS

- **Delhi Public Secondary Education (NGO)** April 2025- Sept 2025
Finance Intern
 - Contributed to the preparation and analysis of 3+ departmental budgets, optimizing resource allocation across 5+ educational initiatives.
 - Collected and managed field data from 10+ schools sites, supporting environmental and educational project assessments..
- **GRV & PK CHARTERED ACCOUNTANTS** June 2024-July 2024
Finance Intern
 - Verified over 50+ financial records and assisted in posting 100+ journal entries, ensuring 100% accuracy in tax documentation using Tally.
 - Supported preparation of monthly trial balances and reconciled 10+ bank ledgers, enhancing financial reporting efficiency.
 - Reviewed financial statements for 5+ clients, identified and corrected 20+ discrepancies, improving reporting accuracy by 30%, including for Bethany School, Koramangala.

ACADEMIC PROJECTS

- **Financial Feasibility – Shark Tank Business Plan**
 - Developed a detailed cost and pricing model for a proposed Digital Water Bottle startup, incorporating fixed/variable costs and break-even analysis.
 - Presented key financial metrics and recommendations to a review panel, highlighting strategic pricing and scalability potential.
- **Social Immersion Program – Lake Health & Community Awareness**
 - Analyzed 5 Bangalore lakes using pH, DO, and other parameters to evaluate environmental health.
 - Conducted primary research with 20+ local residents and presented findings with actionable insights.
