PROFESSIONAL EXPERIENCE

- **Document Review Associate, Consilio India Pvt. Ltd., Gurgaon [March 2024 – November 2024]**
 - Managed end-to-end document review process for high-stakes litigation cases, ensuring accuracy and compliance with legal standards.
 - Identified and flagged sensitive data tags, including Personally Identifiable Information (PII) and Protected Health Information (PHI), to ensure adherence to data privacy protocols defined by the client.
 - Utilized advanced e-Discovery tools (e.g., Relativity) to analyze and categorize large volumes of documents.
 - Ensured the secure handling of sensitive data during document review process by implementing robust data privacy protocols.
 - Collaborated with project managers and senior reviewers to resolve ambiguous privilege issues and ensure uniform interpretation of review criteria.
- **Junior Legal Associate, TransPerfect India Solutions Pvt. Ltd., Noida [November 3, 2025 – November 20, 2025]**
 - Conducted comprehensive document review to identify and categorize materials as privileged, confidential, or relevant in accordance with project protocols and legal guidelines.
 - Analyzed large volumes of documents—including emails, contracts, internal communications, and reports—to determine attorney–client privilege, work product protection, and confidentiality status.
 - Ensured the secure handling of sensitive data during document review process by implementing robust data privacy protocols.
 - Applied document coding accurately within review platforms to ensure consistent tagging and compliance with client instructions.

INTERNSHIPS

- **IBWC Wealth, Sales and Finance Intern, Jaipur. [October 2023 – February 2024]**
 - Advised clients on selecting mutual funds and insurance policies tailored to their risk appetite, financial goals and investment horizon.
 - Conducted thorough research and analysis of mutual fund performance, expense ratios and historical returns to recommend optimal investment options.
 - Educated clients on the benefits of Systematic Investment Plan (SIP) leading to increased adoption and consistent investment behavior.
 - Analyzed valuations of unlisted shares, identifying high potential investment opportunities for clients and facilitated transactions in unlisted shares by connecting clients with reputable brokers.
 - Brought in investments worth INR 20 Lakhs for mutual fund portfolio and about INR 15 lakhs for the unlisted share markets.
