Respected Manager,

I hope this email finds you well. I'm writing this email to declare that I'm resigning from my position of night duty manager today. This decision was made to start a new position soon after I'll be relieved

I'd like to express deep gratitude to the whole team throughout my tenure at Crowne Plaza.

I'll be much obliged to have the team support during my process to resign and please let me know if anything else is required from my end.

Thank you

Devansh Dogra
