

- Led a team of interns, coordinating tasks and driving project execution efficiently.

Organisation: Shri Ram College of Commerce

October 1 – October 31, 2021

Description: Content Writing Intern

- Authored articles, poems, and social media content to increase readership and engagement
- Participated in webinars and campaigns, contributing to knowledge dissemination
- Conducted research for content development, ensuring accuracy and relevance
- Strengthened writing and communication skills, aligning content with institutional standards

## **PROJECTS UNDERTAKEN**

Project: Impact of MSME Investment and Employment on NSDP Across Indian States (FY 2022-23)

Objective: To analyse the relationship between MSME performance indicators and state-wise NSDP for India.

Description:

- Conducted regression and correlation analysis on MSME registrations, employment, and investments to identify key economic growth drivers
- Highlighted insights on how MSME dynamics influence state development, informing potential policy interventions

Project: Analysis of SDG 6 (Clean Water and Sanitation) in India: Policies, Implementation, and Impact

Objective: To examine the interplay between inflation and unemployment trends.

Description:

- Assessed the effectiveness of government policies on clean water and sanitation
- Provided evidence-based conclusions on policy trade-offs, offering insights for economic stabilization

Project: Gender Parity Index and Female Labor Force Participation Analysis

Objective: Explore the impact of educational gender parity on female workforce participation

Description:

- Used World Bank data to quantify correlations between education equality and labour participation
- Derived actionable insights for policies promoting female economic empowerment

Project: Theory of Second Best and Indian Economic Reforms

Objective: Study the applicability of the second-best theory in real-world reforms.

Description:

- Evaluated Indian economic reforms under constrained conditions
- Concluded how imperfect solutions can still enhance welfare and policy effectiveness.

## **WORKSHOPS / CERTIFICATIONS/ SEMINARS**
