Internship

X-B4 Advisory LLP | Mumbai Mar 2025-Sep 2025 6.5 Months

- Verified investor credentials and streamlined data accuracy across internal databases.
- Conducted in-depth industry and company's research and peer benchmarking to support strategic insights.
- Developed comprehensive financial statements and performed valuation analysis for client presentations.
- Designed and delivered investor pitch decks for quarterly result discussion; engaged in client meetings and discussions.

Academic Projects

Buy side Report (Britannia Industries Ltd.)

- Analysis using the (DCF, DDM & Trading Multiples) valuation models indicates, company is overvalued by 30-35%.
- Our buy side report recommends a "Short Position" on the stock to potential profit from the anticipated price decline.

Equity Valuation (Nestle India Pvt. Ltd.)

- By using the DCF model, finds out the intrinsic value of this this company which is the (organized) market leader in noodles, coffee & chocolate segment in India.
- Also creates an equity report on this company showcasing key financial performance and investment thesis.

Stock Market Analysis

- I conducted a deep analysis into six key revenue generating sectors of the Indian stock market—FMCG, Finance, IT, Telecom, Pharma, and Health.
- For this I have applied various technical indicators like Ichi Moku Cloud , MACD momentum, 9-15 Moving Average and provide data driven investment insights.

Kundan Kesar

- Analysed the production and sales strategies of Kundan Kesar, including its digital presence.
- Studied the saffron market size, major export hubs, and global demand trends.
- Evaluated the impact of PPC campaigns on profitability through Amazon.

Extra-curricular Activities

- Corporate Relations Committee Member
- Participated in **XLRI Delhi-NCR's** Elevate X Summit, engaging with prominent industry leaders and gaining insights into entrepreneurship, innovation.
- Achieved 2nd Prize in the Case Study Competition Head-hunters at Atharv Ran Bhoomi '24, **IIM Indore**, by collaboratively solving real-world HR challenges.
- As part of an entrepreneurship activity, I along with my team mates tried our hand at direct-to-consumer sales. We sourced energy drinks at a very low cost and makes a healthy profit margin out of it.
