## WORK EXPERIENCE

### Summer Trainee - Equity Research & Financial Insights

*Shikshan Nivesh*

(May 2025 - June 2025)

- Conducted detailed analysis of publicly listed companies by reviewing investor presentations, earnings calls, and annual reports to assess financial risk, business sustainability, and operational performance.
- Analyzed high-value financial data sets to identify trends, inconsistencies and risk indicators related to liquidity, leverage and cash flows.
- Applied valuation frameworks and financial metrics to evaluate business models, cash flow visibility, and downside risks.
- Maintained and updated Excel based monitoring sheets tracking KPIs such as quarterly pre-sales, collections, net cash position and operating performance.
- Prepared structured written reports (institutional-style articles and one-page summaries), ensuring clarity, accuracy and data integrity.
- Worked in a collaborative review process to cross-verify financial data and analytical outputs before publication.

### Operations Coordinator

*Divya Infratech*

(June 2022 – July 2023)

- Monitored and processed documentation files daily, ensuring accuracy, regulatory completeness and timely submission to government authorities.
- Identified and resolved data gaps, documentation inconsistencies and procedural bottlenecks, contributing to a 100% file approval success rate.
- Negotiated commercial terms with 20+ property owners while maintaining compliance with internal policies and contractual guidelines.
- Utilized government portals and digital systems to submit complex applications, ensuring adherence to processes.
- Maintained structured records and supported risk mitigation through documentation accuracy and process discipline in a fast-paced environment.

## JOB SIMULATIONS

### Investment Banking Virtual Experience

*JPMorgan Chase & Co. (Forage)*

(October 2025)

- Analyzed multiple companies using structured financial data to support **risk and valuation assessment** in an M&A context.
- Reviewed business operations, financial statements, and market exposure to identify **key financial and strategic risks**.
- Prepared analytical summaries and recommendations in a **professional reporting format**.

## LEADERSHIP ROLES

### President (Kautilya Club)

(Aug 2024 - November 2025)

- Lead planning and execution of academic and professional initiatives.
- Coordinate communication, stakeholder engagement, and team collaboration.

### Senior Member (Enactus KNC)

(2019 – 2022)

- Negotiated with vendors and partners, managed operational execution, and supported funding initiatives.
- Worked in team-based environments requiring accountability, documentation, and execution discipline.

## TECHNICAL SKILLS

- Data Analysis & Monitoring:** Financial statement analysis, KPI tracking, anomaly identification
- Excel:** Advanced formulas (VLOOKUP, XLOOKUP), data organization
- Tools:** Bloomberg Terminal (working proficiency), Power BI (working proficiency), Google Workspace
