PROJECTS		
<b>Investors Perception towards traditional financial products with modern financial products</b>	The main aim of this project was to study and analyze the perception of young investors (18–25 years) towards traditional financial products (like Fixed Deposits, Insurance, PPF, etc.) and modern financial products (like Mutual Funds, Stocks, and Cryptocurrencies, etc.). The study seeks to understand their awareness, preferences, risk attitude, and factors influencing their investment choices.	2025
<b>Fundamental Analysis and Ratio Analysis of IFL and SBI Life Insurance</b>	The aim of this project was to analyse and compare the financial performance, ratio analysis, investment performance, and risk management practices of SBI Life Insurance and IFL Enterprises Ltd., using their annual reports (2023–24) to assess their growth potential, stability, and investment attractiveness.	2025
