Internship

Gramin Sehkari Path Sanstha (June 2025 – August 2025)

- Performed **financial document analysis, reconciliations, and ledger verification**, ensuring 100% accuracy for daily banking operations.
- Assisted in preparing **MIS dashboards and financial reports** using advanced Excel.
- Coordinated with loan, accounts, and compliance teams to **validate, clean, and consolidate financial data** for internal credit assessment workflows.
- Supported loan evaluation by conducting **ratio analysis, EMI assessments**, and document scrutiny.
- Observed NPA monitoring processes, gaining exposure to **credit risk and recovery frameworks**.

CogniZen Innovations (Apr 2025 – May 2025)

- Assisted in handling client data, documentation, and query support, ensuring timely responses and smooth process flow
- Conducted ratio analysis and data interpretation for India First Life Insurance project
- Prepared Excel-based reports, summaries, and PowerPoint decks for internal review
- Contributed to research on investment attitudes and sector analysis, ensuring data accuracy
- Earned the Pre–Early Bird Certificate for exceptional performance during internship

Projects

DCF Valuation – Tata Motors

Developed full DCF model with revenue forecasts, FCFE, WACC and sensitivity analysis, strengthening valuation and projection skills.

Loan Amortisation Model (PGDM Coursework)

Developed loan repayment schedules with EMI calculations and interest-principal bifurcation using Excel.
