Career Objective

To secure a challenging AML/KYC Analyst position where I can leverage my analytical skills, attention to detail, and understanding of regulatory compliance to assist in detecting suspicious activities, performing KYC verification, and ensuring adherence to anti-money laundering regulations.

Experience

Project Associate | IIT Delhi

- Contributed to an IIT Delhi research project assessing the socio-economic impact of NMDFC beneficiaries and the performance of SCAs.
- Conducted field visits, data collection, and analysis to support evidence-based policy insights.
- Assisted in drafting policy reports and developing benchmarking frameworks for the study.
- Collaborated with the team and mentored fellow associates to improve workflow and research efficiency.

Data Analyst Intern | IBM

June 2024-Aug 2024

- Completed a data analysis internship using Excel, SQL, and Python.
- Analyzed global forest cover trends (2000–2020) using a Kaggle dataset for the "Deforestation Analysis" project
- Used pandas, matplotlib, and Seaborn to visualize trends and provide forest conservation insights.

Academic Projects

Financial analysis of Titan Company

Tools Used : Power BI , MS Excel

- Created interactive and visually compelling Power BI dashboards to present financial trends, comparative analyses, and actionable insights.
- Cleaned, transformed, and modeled large datasets to ensure data accuracy and consistency.
- Demonstrated proficiency in DAX functions to calculate financial metrics and derive insights

Exploratory Data Analysis of FIFA Dataset

Tools Used: Python (Pandas, NumPy, Matplotlib, Seaborn), Jupyter Notebook

- Analysed player attributes, performance metrics, and market values using Python libraries.
- Cleaned and transformed data, handled missing values, and identified trends through visualizations.

Skills

Technical Skills : , Microsoft office , Power BI ,Python (Pandas, NumPy, Matplotlib, Seaborn, Sklearn), MySQL

Analytical Skills : Statistics, Time Series Analysis, Data Analysis

Soft Skills : Communication, Problem Solving, Teamwork , Management

Certifications

Data Analyst Certification(4 months), American Indian Foundation (AIF)

Certificate in Spanish, Jamia Millia Islamia

2023-2024

Excel for Data Analysis, Simplilearn

Power BI for Data visualisation, Simplilearn

Education

Jamia Millia Islamia

2023-2025

M.Sc (Banking and Financial Analytics)

Jamia Hamdard

2020-2023

Bachelor's in commerce(hons)
