## MBA

📍 Greater Noida, Uttar Pradesh

📞 +91 9651944704 | ✉️ aadarshiy@gmail.com |

### PROFESSIONAL SUMMARY:

---

As an MBA in Finance student, I possess a strong grasp of financial concepts, analysis, and reporting. I am focused on applying budgeting and financial statement analysis skills to real business challenges and contribute to organizational growth through sound financial management.

### INTERNSHIP:

---

#### VK Jain & Associates

August 2025 – October 2025

Tally Software Experience – Acquired practical experience in working with Tally accounting software.

Audit Support Skills – Supported audit activities including vouching, account verification, and regulatory compliance checks.

Financial Analysis Skills – Strengthened skills in evaluating and understanding financial performance.

### PROJECTS:

---

#### Smart Note: A Digital Study Companion:

- The project is a digital notebook application that allows users to create, edit, and manage notes efficiently.
- It is designed to help students and professionals stay organized and promote paperless note-taking.

#### Starlink-Satellite based Internet:

- Establishes a global high-speed internet network using a constellation of low Earth orbit (LEO) satellites to ensure seamless connectivity in both urban and remote regions.
- Bridges the digital divide by enabling access to essential online services like education, healthcare, and commerce, especially in underserved and disaster-affected areas.

### CERTIFICATION:
