

VARSHA BEHERA

Finance Enthusiast PROFILE

SUMMARY

Dynamic and results-driven MBA candidate specializing in Finance and Business Analytics (76%). Possessing a robust foundation in financial analysis, modeling, and Indian Accounting Principles. Proven ability to translate complex financial data into actionable insights, demonstrated through key projects in Financial Statement Analysis (Tata Steel Ltd.) and Insurance-Specific Financial Modeling (Bharati AXA Life Insurance). Eager to apply advanced analytical techniques, software proficiency, and deep domain knowledge to drive strategic decision-making and contribute tangible value in a challenging financial environment.

INTERNSHIP

Finance Intern ■ 01/06/2025 - 31/07/2025 ■ Joda, Odisha
TATA Steel Ltd.

- Conducted in-depth Financial Statement Analysis (FSA) on quarterly and annual reports to accurately interpret liquidity, solvency, and profitability metrics. Developed sector-specific knowledge of the steel industry, gaining insight into the key financial and operational challenges unique to large-scale manufacturing within a domestic market context.

Finance Intern ■ 05/03/2025 - 05/05/2025 ■ Bhubaneswar, Odisha
Bharati AXA Life Insurance Company

- Analyzed and modeled the unique financial structure of a life insurance company, focusing on the interdependent relationship between premiums, claims liabilities, and investment income. Gained specialized domain knowledge of core financial drivers essential for assessing long-term solvency and effective capital management within the regulated insurance sector.

KEY ACHIEVEMENTS

- Awarded with "Certificate of excellence" for qualifying Regional Conclave, Puri associate by Bharti Axa life insurance company
- Awarded with "Certificate of First Day First Show" from Bharti AXA life insurance company.

ACADEMIC PROJECTS

Community Engagement and Sustainable Development Goals (SDG)

Education

- Spearheaded a social impact project (Vivekananda Kendra) focused on Sustainable Development Goal (SDG) awareness, coordinating 40 educational workshops and successfully engaging over 300 community members through tailored content and strong communication.
