Legal Notice

The contents of this record are private and confidential and should not be disclosed to third parties unless: (i) the terms of your agreement with LSEG allow you to do so; (ii) the record subject requests any data that you may hold on them, and such data includes their World-Check record; or (iii) you are under some other legal obligation to do so. You must consider and abide by your own obligations in relation to the data privacy rights of individuals and must notify them of your intention to search against World-Check and provide them with information contained in the World-Check [privacy statement](#). You shall not rely upon the content of this report without making independent checks to verify the information contained therein. Information contained is necessarily brief and should be read by you in the context of the fuller details available in the external sources to which links are provided. The accuracy of the information found in the underlying sources must be verified with the record subject before any action is taken and you should inform us if any links to the sources are broken. If this record contains negative allegations, it should be assumed that such allegations are denied by the subject. You should not draw any negative inferences about individuals or entities merely because they are identified in the database, nor because they are shown as "Reported being linked to" others identified in the database. The nature of linking varies considerably. Many persons are included solely because they hold or have held prominent political positions or are connected to such individuals.

Emp. Reported: -

CIBIL TRANSUNION SCORE(S)

SCORE NAME	SCORE	SCORING FACTORS
CIBILTransUnionScore3	694	<p>1: One of the factors your CIBIL Score depends on is the number of active unsecured loans/ credit card accounts reported in the last 36 months that carry a current balance. An unsecured loan can be a personal loan, consumer durable loan or credit card. Multiple active unsecured loans with high balances can impact your CIBIL Score. Paying off the balances on the loan and credit card accounts as well as not having too many open lines of credit with current balances will help maintain your CIBIL Score.</p> <p>2: Your exposure to credit has been less than six months from the date of the report. The more recent the account open dates across your credit profile the lower would be your CIBIL Score. Ensure you do not open too many credit card and loan accounts within a short period of time. Make sure you make timely payments towards all your accounts.</p> <p>3: One of the factors your CIBIL Score depends on is the number of active loan/credit card accounts reported in the last 36 months that carry a current balance. A high balance on such active accounts will impact your CIBIL Score. Paying off the balances on the loan and credit card accounts as well as not having too many open lines of credit with current balances will help maintain your CIBIL Score.</p>
