Information correlated is necessarily brief and should be read by you in the context of the fuller details available in the external sources to which links are provided. The accuracy of the information found in the underlying sources must be verified with the record subject before any action is taken and you should inform us if any links to the sources are broken. If this record contains negative allegations, it should be assumed that such allegations are denied by the subject. You should not draw any negative inferences about individuals or entities merely because they are identified in the database, nor because they are shown as "Reported being linked to" others identified in the database. The nature of linking varies considerably. Many persons are included solely because they hold or have held prominent political positions or are connected to such individuals.
