Subject: Resignation Letter,\_Antra Guglani

Hi Swati,

I am writing this email to formally resign from my current position as Manager at Genpact.

This decision was not easy and took this careful consideration. I have appreciated the opportunity for growth and development during my time at the firm.

I am grateful for all the support and encouragement that I have received.

Thank You for the opportunity to be a part of your team.

Regards,  
Antra Guglani
