During this period, he was involved in following activities:

1. Conducting daily Safety training for contract managers, engineers, supervisors and workers.
2. Checking of work permits, identifying the hazards, PPE compliance at work site, generating Tool Box Talk and Safety Observation Reports.
3. Random checking of vehicles entering inside refinery for compliance to safety norms viz. Spark arrestor, Fire extinguisher, TREM Card, Driver / Vehicle documents etc.
4. Reporting near miss incident, and submission of monthly reports.
5. Conducting tool box talks and Safety Audits of Contractors at work site.
6. Carrying out Job safety analysis for the critical jobs as per work permits system.
7. Checking of Tools, Tackles and scaffolding at work sites.
8. Coordinating Fire and safety training and live fire drill.
9. Coordination for safety promotional activities like Monthly safety theme, National Safety Day and Fire Services Day.
10. Conducting Accident Investigation and developing SOP's for Safe Work Environment.
11. Monitoring the health of Fire Water Network and Fire & Safety Equipment's in field, Inventory checking and report generation.
12. Ensuring periodic testing and routine checking of Hydrants, Monitors, HVLR, WSS, Foam pourer and Hydro testing of fire extinguishers.
13. Active participation in various Plant fires such as Gas leaks, emergency fires and minor fires.
14. Participation in emergency mock drills like Level-I, Level-II, Level-III as per PNGRB.
15. Carrying out Start-up and Shutdown Audit, LOTO audit, HSE policy compliance Audit.
16. Conducting mass Induction training on regular basis at work site.

During his working period we found him a sincere, honest, hardworking, dedicated person with a professional attitude and very eager to learn new things. He is amiable in nature and character as well.

We wish him every success in life.

(Manish.G. Kewte)

Senior Manager (Fire & Safety Department)
