Hi Rupali,

I worked with Connexions Loyalty as a contractor in the US from June 5, 2013 to February 2014.

Please find the below email as proof of my joining date. Unfortunately, I do not have an official employment letter, as the firm was later acquired and underwent multiple transitions. Additionally, my reporting manager has since moved elsewhere in the US, so I'm unable to obtain a formal verification document.

If required, this experience can be mentioned as a contract role in the US.

Please let me know if you need any further information.

Best regards,
Uwais
