PROFESSIONAL EXPERIENCE

Campaign Analyst, Foqal Analytics

Jul 2024 - Till Now

Gurgaon

- Leverage advanced SAS expertise to execute high-impact marketing campaigns and conduct sophisticated data analysis, directly influencing business outcomes
- Lead business intelligence initiatives using Looker, providing crucial support for executive decision-making through in-depth, SQL-based ad-hoc reporting
- Spearhead cross-functional collaborations with key business stakeholders to drive data-driven decision-making, delivering critical insights through comprehensive data reports and strategic audits

Data Analyst, IIFL Home Loans

Oct 2022 - July 2024

Gurgaon

- Built the data and reporting infrastructure from the ground up using SAS and SQL to provide real time insights into products and business KPIs.
- Led the successful development of business report automation, enhancing data quality and governance at Pan India Level.
- Worked together with vendors, Database team, and business partners to turn plans into effective product roadmaps.

Process Developer, Genpact

Jun 2021 - Oct 2022

Gurgaon

- Managed the complete process, consistently delivering projects on time and within budget.
- Played a crucial role in market research and competitive analysis, aiding in strategic decision-making for process enhancements.

Underwriting Analyst, Xceedance

July 2019 - June 2021

Gurgaon

- Enter, Validate and provide data analysis for various data used in renewal and new quote creation (employees headcount movement, claims history, underwriting details, premium changes etc.)
