Dear Raj Sir and Team,

I am writing to formally resign from my position Sr ASM at Meril with immediate effect, due to personal reasons and the recent challenges related to government trading activities in my territory no one support to my territory for rates special thanks to management, J&k is not kind of territory who beg every time for prices, Over the past years, I am confident that my team has consistently outperformed expectations, surpassing targets set by even the best-performing units and delivering stronger profit margins than management's benchmark EBITDA from the J&K business but now its completely destroyed.

It is important for me to convey that this sentiment is not mine alone. My entire team has voiced their disappointment, and I am confident that their departure from Meril is imminent should these changes persist.

As per my personal thinking, it's not about any one and also don't wanna high light some one leaders name who ever in the govt or some where else .I apology for immediate resignation. After careful consideration, I understand that I may no longer align with the organization's future direction and expectations.

I sincerely apologize for the short notice and any inconvenience this may cause. I remain grateful for the opportunities and support extended to me during my tenure.

Please let me know whether I should hand over the company laptop to Mr. Raj Kumar or courier it to a specific address. I will ensure it is returned without delay.

I take full responsibility for any implications related to my resign and am ready to cooperate in completing all pending formalities along with company policies which I signed.

Thank you once again for your understanding and support.

Lat message to the entire team we will and always be together just a call away.

Thank you Raj sir and Harold sir for your support and guidance during my time with team 🙏

Thank you& Sincerely,
Chetan Gupta
