Hi Sachin,

As we discussed . I am writing to formally notify you of my decision to resign from my position at Medtronic .

This was not an easy decision for me, as I have genuinely valued the opportunity to work under your leadership and alongside such talented colleagues.

My time at Medtronic has been incredibly rewarding, and I am grateful for the support, guidance, and learning experiences I have gained during my tenure.

I would appreciate it if you could guide me on the formal process for moving ahead with my resignation to ensure everything is handled correctly.

Additionally, I will do everything I can to ensure a smooth transition during my remaining time here.

Please let me know how I can assist in transferring my responsibilities or training a replacement.

Thank you again for your understanding and support..

Thanks
Chandan Singh
