Dear Hari,

I hope you are doing well.

I would like to formally resign from my position at AMS Advanced Medtech Solutions, with my last working day being 23rd August 2025. This decision is purely for personal reasons — my wife is pregnant, and we have decided to be based in Bangalore to be close to family during this important period, as well as for her career commitments.

I understand that my notice period is two months. However, given my personal situation, I kindly request to be relieved earlier. I am willing to buy back the balance notice period in line with company policy.

To ensure a smooth transition, I will:

- Complete all pending assignments.
- Prepare detailed documentation of ongoing work.
- Support in training or briefing the team member(s) who will take over my responsibilities.

I am deeply grateful for the opportunities, learning, and support I've received at AMS, and I hope to maintain a positive relationship going forward.

Thank you for your understanding and consideration.

Waiting for your acceptance.

Warm regards,

Chinmay Godbole

Subject: Resignation and Request for early release

Dear Hari,

I hope you are doing well.

I would like to formally resign from my position at AMS Advanced Medtech Solutions, with my last working day being 23rd August 2025. This decision is purely for personal reasons — my wife is pregnant, and we have decided to be based in Bangalore to be close to family during this important period, as well as for her career commitments.

I understand that my notice period is two months. However, given my personal situation, I kindly request to be relieved earlier. I am willing to buy back the balance notice period in line with company policy.

To ensure a smooth transition, I will:

- Complete all pending assignments.
- Prepare detailed documentation of ongoing work.

- Support in training or briefing the team member(s) who will take over my responsibilities.

I am deeply grateful for the opportunities, learning, and support I've received at AMS, and I hope to maintain a positive relationship going forward.

Thank you for your understanding and consideration.

Waiting for your acceptance.

Warm regards,

Chinmay Godbole

I hope you are doing well.

I would like to formally resign from my position at AMS Advanced Medtech Solutions, with my last working day being 23rd August 2025. This decision is purely for personal reasons — my wife is pregnant, and we have decided to be based in Bangalore to be close to family during this important period, as well as for her career commitments.

I understand that my notice period is two months. However, given my personal situation, I kindly request to be relieved earlier. I am willing to buy back the balance notice period in line with company policy.

To ensure a smooth transition, I will:

- Complete all pending assignments.
- Prepare detailed documentation of ongoing work.
- Support in training or briefing the team member(s) who will take over my responsibilities.

I am deeply grateful for the opportunities, learning, and support I've received at AMS, and I hope to maintain a positive relationship going forward.

Thank you for your understanding and consideration.

Waiting for your acceptance.

Warm regards,

Chinmay Godbole

Subject: Resignation and Request for early release

Dear Hari,

I hope you are doing well.

I would like to formally resign from my position at AMS Advanced Medtech Solutions, with my last working day being 23rd August 2025. This decision is purely for personal reasons — my wife is pregnant, and we have decided to be based in Bangalore to be close to family during this important period, as well as for her career commitments.

I understand that my notice period is two months. However, given my personal situation, I kindly request to be relieved earlier. I am willing to buy back the balance notice period in line with company policy.

To ensure a smooth transition, I will:

- Complete all pending assignments.
- Prepare detailed documentation of ongoing work.
- Support in training or briefing the team member(s) who will take over my responsibilities.

I am deeply grateful for the opportunities, learning, and support I've received at AMS, and I hope to maintain a positive relationship going forward.

Thank you for your understanding and consideration.

Waiting for your acceptance.

Warm regards,

Chinmay Godbole
