Dear Sir,

I am writing to formally resign from my position at Blueneem Medical Devices with immediate effect due to personal reasons.

I would like to thank the organization for the support and opportunities provided during my tenure. It has been a valuable learning experience, and I am truly grateful for the same.

I kindly request you to initiate the Full and Final Settlement process at the earliest and share the necessary formalities, if any, required from my end.

Additionally, I would appreciate your support in accepting my resignation at the earliest possible, considering the circumstances. Please let me know if any documentation or handover is needed to ensure a smooth transition.

Thank you once again for your understanding.

Warm regards,
