Mobile: +91- 7339271931

Objective:

I have 3 years 6 months experience in Quality control chemist. For those years, I have contributed the success of organizations as per ISO industrial standards and regulations to ensuring product safety and product reliability.

Experience Details:

- 1) Company Name : **B Braun Medical India Pvt Ltd**
Department : Quality control
Year of experience : 2 Year 2 months (present)
- 2) Company Name : **CEPHAS Medical Pvt Ltd**
Department : Quality control
Year of experience : 1Year 4 month

Company Details:

- 1) Company Name : **B Braun Medical India Pvt Ltd**
Department : Quality control
Experience : 2 Year 2 months (present)

Responsibility

- To check the parameters of surgical sutures (Needles and Threads) like NAS (Needle Attachment Strength), KPTS (Knot Pull Tensile Strength) and LPTS (Linear Pull Tensile Strength) using UTM (Universal Testing Machines).
- Check and testing the incoming Raw materials. And also check the In Process and Finished Goods product as per SOP.
- Maintaining clean room temperature, pressure, humidity, bio contamination control and
- GMP as per ISO standards. Maintaining documents and generating reports as per sop.

Company Details:

- 1) Company Name : **CEPHAS Medical Pvt Ltd**
Department : Quality control
Year of experience: 1Year 4 month

Responsibility

- Monitored and ensured compliance with chemical specifications and quality standards for quantities in process.
- Ensured compliance with chemical specs and quality standards during production.
- Perform FG sampling and analysis per specifications; approve if within acceptable limits.
- Inspect and verify incoming raw and packaging materials against standard specifications for approval.
- Verify and analyze PMR records, ensure compliance in ongoing production, and maintain documentation.

Technical Skills:

- Basic volumetric, Qualitative, quantitative and Gravimetric analysis.
- Analysis of organic components & conformational Analysis.
- Biomolecules (carbohydrates, Amino acids, proteins and Nucleic acids).
- Chromatography, centrifuge & PH meter.

Special Achievement:

- Clean room & Bio contamination control
- Problem solving using 8D methodology

Key Skills:

- 5S System, GMP & QMS
- ISO 13485
- Chemical testing & handling
- Chemical inspection, analysis & confirmation
- Chemical calibration
- Type writing (English)

Academic profile:

- **B Sc CHEMISTRY** From BHARATHIDASAN, Kumbakonam
In Year of 2017-2020 With **71%**
- **Higher secondary School** From kittapa municipal, mayiladuthuraa In Year of 2015-2017 With **65%**
- **SSLC** From Government Higher Secondary School, Kodali Karuppur
In Year of 2014-2015 With **84%**

Strength:

- Very good learner, self-motivated with positive attitude.
- Strong communication and interpersonal skill.
- Strong initiative and leadership quality
- Positive attitude and self-motivated
- Good team work
- Ability to work in multi-functional teams

Personal Profile:

Father name : Mr. C. Pugazhenth
Date of birth : 30.05.2000
Gender : Male
Marital status : Unmarried
Nationality : Indian
Language known : Tamil and English
Permanent address : 2/21, Muthaliyar Street, Kodalikaruppur &(PO),
Udayarpalayam (TK), Ariyalur (DT). 612 902.

Declaration:

I hereby declare the Particulars of information and facts stated here in above true, correct and completed to the best of my knowledge and belief.

Date:

Place: Chennai.

Yours Faithfully

(SIVAKUMAR. P)
