Dear Sir

Due to personal reasons I have decided to move on therefore please accept my resignation from the post of Area manager Sales Hyderabad, Sanofi Pasteur India Ltd. I would like to be relieved of my services by 1st Sept 2016. I am aware that the organization has a notice period clause of three months, however I'd be grateful to be released earlier. So this may please be considered as my notice period.

It has indeed been a great pleasure working and being associated with Sanofi Pasteur India Ltd. I have learnt a lot individually and professionally. I am thankful to all those who I have interacted with for being such support to me.

I can always be contacted at Mobile no 9581970970 or you can write to me at dhiraj.m.tiwari@gmail.com for any queries. Please do let me know who I need to hand over the charge to.

Yours sincerely
