📍 Pune, IN

## Profile

Result-driven professional with diverse experience in urban design, architecture and project-design co-ordination. Expertise in delivering high-end residential and hospitality projects with meticulous attention to detail. With a strong background in cross-disciplinary team collaboration, I work closely with consultants to plan, interpret designs and drawings, and execute projects seamlessly on-site. My experience has honed my ability to drive business growth while helping me expand my project management skills. I'm well-equipped to leverage these learnings and expertise in a Design Management role, enhancing project outcomes and contributing to organizational and professional success.
