Hello @Krunal,

I hope you are doing well. I am writing to formally resign from my position at Ascendion, effective immediately.

Unfortunately, due to past and ongoing health reasons, I am unable to continue in my current role and responsibilities. After careful consideration, I believe it is best for me to step back and focus on my well-being.

Given the circumstances, I kindly request to be released at the earliest possible date. I will ensure a smooth handover of any pending work and support in the transition as much as my health permits.

I appreciate the opportunities, support, and guidance I have received during my time here.

Thank you for your understanding.

Please let me know the next steps.

Thanks,

Parikshit Nagpure
