Hi Sir,

Greetings!

This email/message is with reference to My resignation at Epic Consultants.

I would say that due to some financial planning and better opportunities are the reasons to leave.

Kindly acknowledge the same and accept my resignation. I would also request for the experience letter due to this tenure.

It was a great learning experience last 6 months.

Resignation

experience letter due to this tenure.

It was a great learning experience last 6 months.

Thanking you in advance.
