Hi Mujassam

I hope you're doing well.

As we discussed verbally, I'm writing to formally resign from my position as Business Development Manager at Codilar Technologies.

My time at Codilar has been incredibly valuable, I've learned a lot and had the opportunity to work alongside a talented team on meaningful projects. I'm truly grateful for your support and the experiences I've gained here.

Over the coming weeks, I'll do my best to ensure a smooth transition by completing ongoing tasks and handing over responsibilities properly. Please let me know how I can help during this period.

[@Amrutha Murali](#) As we discussed over the call, could you please share the relevant details regarding my last working date, release letters and payouts over this email thread?

Thank you once again for the guidance, trust, and opportunities you've extended to me. I hope to stay in touch, and I sincerely wish the team continued success.
