CHETAN MENARIA
Fronted Developer

Udaipur, Rajasthan, India | +91 7976453547 | chetanmenaria900@gmail.com | [LinkedIn Profile](#) | [Know more about me](#)

SUMMARY

Creative and detail-oriented Frontend Developer with 2+ years of experience building responsive, scalable, and user-focused web and mobile applications. Proficient in React, Next.js, TypeScript, and React Native, with hands-on expertise in building component-based architectures, integrating REST APIs, and ensuring seamless UX across platforms. Adept at collaborating with cross-functional teams, optimizing performance, and delivering pixel-perfect UI experiences. Passionate about crafting clean, maintainable code and continuously learning new technologies.

SKILLS

- **Frontend Development:** React.js, Next.js, React Native, TypeScript, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS, Bootstrap, Material UI, ShadCn, Chrome Extension Development, LottieFiles.
- **UI/UX & State Management:** React Hook Form, Redux, Zustand, React Query, Context API, Responsive Design, Mobile-first Development
- **API Integration & Tooling:** Axios, Fetch API, REST APIs, WebSocket, Postman, Chrome APIs
- **Data Handling & Web Scraping:** WebRTC, Webpack, Puppeteer

EXPERIENCE

YoCharge, Udaipur, Rajasthan
SDE-1 (React-Native/ReactJS Developer)
Nov 2024 – Present

- **Built Cross-Platform Apps**: Added features and maintained both mobile and web apps, focusing on performance optimization.
- **Responsive Design & User-Centric Development**: Developed mobile-first, responsive UIs and collaborated with the design team to create interactive interfaces for improved user experience.
- **API Integration & Code Quality**: Integrated RESTful APIs and third-party libraries, and maintained clean and well-documented code.

Lakebrains Technologies, Udaipur, Rajasthan
Software Developer
April 2023 – Nov 2024

- **Developed AI-Driven Extensions:** Created Web applications, mobile apps, and Chrome extensions powered by AI and web scraping to automate data processing and analysis, enhancing client productivity.
- Led frontend development for several client projects using **React** and **Next.js**, improving user engagement and load times.
- **Backend Development:** Built and maintained scalable backend systems with Node.js, integrating OpenAI and other APIs for advanced functionalities.
- **Cloud Infrastructure Management:** Deployed and managed applications on GCP and DigitalOcean, using Cloud Run, Cloud Functions, Cloud Build, and Firebase to ensure high availability and performance.
- **Client Collaboration:** Gained extensive experience collaborating with international clients, ensuring clear communication and understanding of project objectives.

Lakebrains Technologies, Udaipur, Rajasthan
Web Developer Intern
Nov 2022 – April 2023

- **Product Development Support:** Partnered with senior developers on new product development, contributing to both frontend and backend workflows.
- **Code Debugging and Optimization:** Optimized application compatibility across diverse browsers and operating systems, improving the overall user experience.

EDUCATION

Bachelor of Technology (B.Tech) in Computer Science   **8.5 CGPA**
RTU | 2020 - 2024
