MY PHILOSOPHY

I believe that as an elementary school teacher my job is to keep the curiosity and the enthusiasm alive in the young children, to provide them with a non-judgemental and joyous environment to discover themselves and to be strong and collaborative individuals.

EDUCATION

Batchelor Of Engineering in
Computer Science from
S.D.M College of
Engineering and
Technology, Dharwad -2003

SKILLS

- Technology enthusiast
- Constant learner
- Listener
- Team worker
- Adaptive
- Collaborative

EXPERIENCE

LEARNER-FACILITATOR - PRAKRIYA GREEN WISDOM SCHOOL

APRIL 2020- APRIL 2022

- Successfully taught English, Math and Science for students of grades 2,3 and 4
- In alignment with the school's philosophy. made use of the natural and sustainable resources to enhance the learning of all the children.
- Developed and implemented a wide range of innovative and creative lesson plans to make math a fun and an engaging subject.
- Actively involved in the planning of "Ganith Charcha", a math learning activity held at the start of every math class.
- Collaborated with fellow teachers and parents to provide customized lesson plans for students with special needs and other learning challenges.
- Being a class teacher, successfully guided the children in the class project "The Newspaper" which mimicked the actual newspaper wherein students brought out a newspaper for the classroom highlighting their activities, achievements as well as showcasing their talents through poems, drawing articles etc.

OTHER EXPERIENCES

2004-2007

- As a Systems Engineer at Siemens Information Systems Limited, Bangalore was involved in complete feature development of a clinical product called Soarian
- Involved in all the stages of development right
- from designing to deployment

VOLUNTEER WORK

- Organized a donation drive for the nearby orphanage in our apartment
- Successfully Headed the celebration of Kannada Rajyotsava at our apartment
